No one navigates the Matrix like the guy who was there at the beginning and made sure to leave lots of trap doors and what not.

HARMA

Compared to you, everyone else who pulls down mana is a cranky little toddler. And Harry Houdini was a toad.

HARMA

THE BEST CAR

Everyone wants your ride—or they would, if they were cool enough to know that such a rare model existed.

HARMA

HARMA
605

FRIENDS, OF A SORT
You have all the friends money can buy. Such as those kinds of friends are.

HARMA

Of course he's a fragging elf. You don't get to be the best in the world if you're one of the lesser metatypes, do you? Maybe you're asking, "best in the world at what?" Name it, pal. He out-thinks dragons, out-fights Ali, out-sings Pavarotti, out-acts Brando, out-balls Jordan (wait, can we say "out-balls" on this?), out-styles Clooney, out-swears Ramsey, and, most importantly of all, out-psychos Gein. All this, and makeup too. Buckle up.
