

# SHADOWRUN Missions

## *Twist and Insult* Player Handouts

*Twist and Insult* is an adventure for the *Shadowrun* game system and the *Shadowrun Missions* campaign setting. It may be used for players and characters of all experience levels. For use with *Shadowrun, Fourth Edition*™

Nikolai started out running errands in St Petersburg for the local Vor. He worked his way up in a trail of blood, leaving Russia after a run-in with a General in the Russian army. The Vor is an intimidating large bear, quick to anger but cautious.

Towering two meters in loose fitting work pants and a tight stretch tee, the Vor uses his mass and size to his advantage in negotiations. His scars are reminders that he has seen more fights than most people and that his position can be taken from him the same way.

Amy Steur is slender and long-limbed, with muscles like steel cables under her tanned skin and spiked red hair, and ruthless as she is beautiful. Amy led the BBs sect of the Fronts before pushing into a broader leadership role. She doesn't say much, but when she does, people listen. She eliminates obstacles with a cold efficiency that would make a corporate hitman shiver
